

## COVID-19 Virus

For the most up-to-date information regarding the COVID-19 virus please reference the following websites from Wisconsin DHS (Department of Health and Services) <https://www.dhs.wisconsin.gov/disease/covid-19.htm>, the CDC <https://www.cdc.gov/coronavirus/2019-ncov/index.html> or the WHO (World Health Organization) <https://www.who.int/emergencies/diseases/novel-coronavirus-2019>. These web sites are updated continuously and contain a wealth of information regarding the virus and how you can minimize your exposure.

The City of Menomonie is following guidelines provided by these organizations.

Additional information can be found on the Dunn County Health Department website.
