

City of Menomonie

Bicycle and Pedestrian Advisory Committee

July 25, 2011 6:00 p.m. Meeting Minutes

The meeting was called to order at 6:42 after a quorum was established.

Attendance: David Williams, Pete May, Logan Mathers, Mark Mastalir, Rory Fedderson

A motion was made by May and seconded by Mastalir to approve the June 27, 2011 minutes. Motion carried.

Pete May volunteered to put together a presentation for the next Plan Commission meeting to explain the route, proposed parking restrictions, and traffic calming methods.

Trail signage was discussed and options were presented. The Committee supported signs that were similar to the trail sign at the Red Cedar Trail. Possible locations from the Red Cedar Trail to Pine Street were discussed.

A Bicycle/Pedestrian Trail concept underneath the I-94 Bridge was reviewed. The WisDOT would construct the Bicycle/Pedestrian Bridge as part of the I-94 bridge reconstruction but would need assurance from the City that it would connect trails to the bridge in a timely manner.

Williams moved to express the Committee's support of the I-94 Bicycle/Pedestrian Bridge and the timely connection to it by the City. Motion was seconded by Mastalir. Motion carried.

Williams moved to adjourn the meeting at 6:58. Seconded by May. Motion carried.

Respectfully submitted,

Patrick Beilfuss
